**3:40 – 4:10**

**Wrap-up**

Presentations are expected to be no more than 15 minutes long, with 15 minutes allowed for questions and discussion. Clients and guest critics—Todd Lynch, Emily Wright, and Hank Art—are given the first opportunity to respond. Students welcome additional written comments if discussion time runs out. There will be a 10-minute break between presentations to set up graphics for the next presentation.
